

Follow these steps to signup for any event done by In The Park Events.

STEP 1. Hoover over the event you want to signup for.

STEP 2. Once you hoover over the event you want, click on vendor and food truck signup

STEP 3. Click on the vendor form or food truck form.

FINAL STEP. Login or set up an account with Eventeny. Once done it will click start to do the form then payment information. We did this to make the process easier for everyone. It will make the accepting and rejected and wait-listed process much quicker so vendors know if they got in or not. It also saves your information so easier to signup for another event. The biggest thing is it will help prevent scammers.

Login or creat account with eventeny. This will take you to form and payment. This will make the process easier on whether you got into the event or on waitlist. Eventeny will also save your information to save time for future events. This is all done to prevent scammers.
